

KORESHAN STATE PARK

THE PERFECT EVENT AND WEDDING VENUE

Thank you for considering Koreshan State Park for your special event. Let us take this opportunity to introduce you to the origin of this beautiful property.

The founding of the Koreshan Unity Settlement in Estero, Florida, was the continuation of a movement started in the state of New York in 1869 by Dr. Cyrus R. Teed. Because of their religious, scientific and cultural beliefs, the members of this commune had to contend with unfriendly and hostile society. In order to find an accommodating environment, the movement decided to relocate to Florida in 1894. Dr. Teed then took the name “Koresh” the Hebrew translation for Cyrus, meaning Shepherd, and led this community, which became known as “The Koreshans.” Their center of operations was located here and was called “The Koreshan Unity Settlement.” In 1961, the four remaining members deeded 305 acres of their land to the State of Florida as a park and memorial.

The mission of Koreshan State Park is to preserve, protect and interpret the Koreshan Settlement and the life of its members and leader, Cyrus R. Teed.

In managing events, weddings and special programs, it is important to recognize the site’s basic commitment to protecting the historic property, as well as providing daytime public access.

The following are policies and guidelines for the use and rental of Koreshan State Park for contractual events utilizing the grounds or buildings of the Park. These guidelines supersede all previous guidelines and are subject to change without notice.

The Park staff will evaluate the appropriateness of activities with respect to the mission of the Park and accreditation standards by the American Association of

Museums and other nationally accredited boards related to the historical and educational mission. The State Park reserves the right to refuse use of the property to individuals or groups whose mission and/or public image is incompatible with that of the Florida Park Service.

Lease agreements for private events are non-transferable.

Due to seasonal changes, Koreshan State Park cannot guarantee that the designated rental area will have the same appearance as when originally viewed. As a historic property, Koreshan State Historic Site occasionally conducts restoration projects. The Events Coordinator will make every attempt to notify lessee in advance of restoration work planned in or near event site.

Koreshan State Park cannot change or supplement any exhibits that are in place at the time of your event. The exhibits, including historic furniture cannot be moved or covered for any reason.

There are no "Bride's Room" facilities available for changing or getting ready. Bridal party should arrive ready.

PARKING

Guests will park in the designated parking lots.

LIABILITY

Lessee shall defend, indemnify, and hold harmless Koreshan State Park, the Florida Park Service and the State of Florida and its employees from all claims, suits, damages, losses, judgments, demands, and liabilities (including attorney's fees) which, in any way, may arise from the use of the facilities by the lessee.

Contracted vendors must provide the park at least thirty day in advance of the event a copy of their certificate of insurance with a minimum of \$300,000 liability listing Koreshan State Park/State of Florida Trustees of the Internal Improvement Trust Fund as additional insured or certificate holders. They must also provide proof of workman's comp and vehicle insurance.

The remaining payment must be received 90 days prior to the event. Payments may be made by cash, check, or credit card. We are happy to work with you to accommodate your needs.

It should be clearly understood that the duties of the State Park staff concern only the interpretation and security of the site. The Historic Site staff shall be present to supervise the property during each function. A representative of the Lessee shall be present to meet all deliveries.

RENTAL EQUIPMENT & VENDORS

Koreshan State Park offers a beautiful outdoor environment with limited covered areas. It is recommended that tenting options be considered due to Florida's unpredictable weather. Some locations are limited on the size or number of tents.

Lessee must provide the Event Coordinator with all set-up locations for catering, bars, entertainment, etc. <u>at least 2 weeks prior to the event.</u> Set-up and delivery access to the property is located at the entrance of the park on Corkscrew Road.
--

No propane, gas stoves, or open flames are permitted within 100 feet of historic buildings. Lessee must make cigarette receptacles available for smoking guests. If none are provided, then smoking is prohibited.

Lessee is responsible for ensuring that vendors provide sufficient extension cords, electric distribution panels, lighting, etc. to cover the event's electrical needs. Failure to notify the Event Coordinator of electrical requirements may result in inadequate power or power failure and Koreshan State Park shall not be responsible for any resulting loss. Placement of equipment and electrical needs must be approved 2 weeks in advance. Power availability is limited and restricted in some areas; please consult the Event Coordinator for approved locations and amperage.

All rental equipment must be stacked neatly at the end of the event in pre-approved locations. All rental equipment must be removed from the property by 10 a.m. the next business day or \$100 per day additional charge will occur.

CATERING

Caterers are responsible for trash removal and supplying all materials necessary, i.e. garbage cans, liners, cleaning supplies, mops, extension cords, etc. Clean up after an event is required and is the complete responsibility of the lessee. Failure to return the property in the condition in which it was received will result in the loss of the lessee's damage deposit.

Alcoholic beverages will only be permitted for "After-hours" events. All areas serving alcohol must be restricted to adults only. It is prohibited by Florida law to serve alcoholic beverages to persons less than 21 years of age or anyone who appears to be intoxicated.

DECORATIONS

Plans for decorations or displays must be submitted in writing to the Events Coordinator for approval 14 days prior to the event. The Events Coordinator will communicate final approval to the client within 2 days of receipt.

Decorations, signs, banners, etc. may not be taped, nailed, stapled, or otherwise fastened to the Historic Site property or any vegetation. No holes may be drilled, cored, or punched in any part of the facility.

Bubbles and natural flower petals are permitted outside during wedding events. Rice, birdseed, glitter, confetti, balloons, sparklers, non-biodegradable and environmentally inappropriate materials are not permitted.

Tiki torches and other open flame devices are prohibited except candles in votive cups or hurricane globes used as centerpieces on tables.

Any item or action deemed by the park staff as harmful to the park's natural and cultural resources or its visitors is prohibited. This park is covered by Section 62D of the Florida Administrative Code which defines the applicable fines and penalties.
